PRESIDENT'S FOREWORD

The Thirty-second Annual Exhibition of the Toledo Federation of Art Societies reflects the acceptance of an invitation extended this year to our neighboring artists in twelve counties of Northwestern Ohio and two counties of Southern Michigan. This has resulted in a larger show and the appearance of a number of new names on the list of award winners. Greater interest is also manifested in this year's show through a longer list of local exhibitors.

The mere mention here will in no way express our appreciation of the sincere efforts of the Jury to be liberal in judging all types of work and still maintain a high critical standard for the entire show.

Through the generosity of the Toledo Blue Print and Paper Company cash award and the Roulet Company medal for the most outstanding group of work, encouragement in top honors is given to artists of this area.

Our loan exhibition collection is increased this year by the addition of four paintings recommended by the Jury for purchase. The Federation Purchase Fund subscribed to by our Patrons makes this purchase award possible.

The support of the group Sponsors of Toledo Art, organized last year under the leadership of Mrs. E. Cornell Walbridge, is stimulating to the Toledo Area Artists. The standard of the artists' work must surely increase with such encouragement.

Mrs. Paul Smith of Washington, D. C. will again be with us to direct the sale of work exhibited. Much of this work is offered at reasonable prices.

The Museum in granting space for this expansive show has been most generous. Although exceeding all previous requirements, the exhibition was never limited because of these demands. Its staff has given untiring and skillful service in handling the entries and hanging the exhibit. For these endless favors and fine cooperation the Federation wishes to give appreciative recognition.

CARL C. BRITSCH, *President*
Toledo Federation of Art Societies
